

MAKING FROM HOME DRAWING

One of the oldest and most satisfying forms of creative expression is the simple art of drawing. Whether it be regular doodles on scrap paper or intricate hyper-realist illustrations, there are a vast range of ways to create a mark and, to ultimately, draw! This week we explore a range of tutorials and tips for drawing!

THE DRAWING BASICS

Here are some useful online tutorials about simple drawing basics. Practicing the fundamentals is the perfect place to start as a beginner or a great reminder for more seasoned sketch artists. Check them out!

THE HUMAN BODY

Drawing people is often the first thing we want to do. Here are some tutorials which break down the human form and outline some simple techniques so that you can improve on your drawings of people.

DIGITAL ILLUSTRATION

It's common for us to use digital technology to draw and paint. Whether it be on a computer with a graphics tablet or on a mobile device with a stylus, here are some quick and easy intro tips.

ONE LINE DRAWING CHALLENGE

This is a simple drawing exercise which is really fun to do with others and is a great activity for the kids!

NEED MORE TIPS?
